AND CARING FOR PEOPLE.**

Δ₉β₁₀γ₁₁δ₁₂ε₁₃ζ₁₄

Respecting others, relationships in life and caring for others will mean something different to everyone. How we foster respect and care in our relationships to others and ourselves can often tell us what matters most in our lives. Defining what it means to respect and care for others in a comfortable way that fits into our individual lives is important. Learning how we want to be respected and cared for can give us hints on how we'd like to share and live according to our understanding of this principle within our relationships and communities.

What does respect mean to you? How do you foster respect and caring for others or yourself in day to day life?
